

SAVE FOR A RAINY DAY?

Think of the things you could do if you just had more money. So, look into the Earned Income Tax Credit It's for working people who make less than \$53,267. Some will get as much as \$6,242 back from the IRS when they file their taxes and claim the credit. Is there some money waiting for you?

Don't doubt, check it out.
Determine your EITC eligibility using the EITC Assistant tool available only at IRS.gov.
