IRM PROCEDURAL UPDATE

DATE: 07/10/2025

NUMBER: ts-21-0725-3475

SUBJECT: Update Regarding ERC Withdrawal

AFFECTED IRM(s)/SUBSECTION(s): 21.7.2

CHANGE(s):

IRM 21.7.2.7.7(6) Added instructions for ERC withdrawal cases that are submitted with a returned refund check to the Refund Inquiry team found on irs.gov.

- (1) The IRS developed a new ERC claim withdrawal program to assist certain employers who may have filed incorrect claims for Employee Retention Credit (ERC) after having fallen prey to aggressive advertising and other contacts misrepresenting eligibility requirements. In general, employers who filed an ERC claim (only) which has not yet been processed or who received a refund check for an ERC claim (only) but have not yet cashed or deposited the refund check are permitted to withdraw their claim. Participation in the withdrawal program:
 - May prevent issuance of an incorrect refund.
 - May allow an employer to return a refund check and correct their account, penalty and interest-free, without the burden of filing another Form 94XX.
- (2) Employers requesting eligibility and filing information for the ERC claim withdrawal program can be referred to:
 - IR 2023-193 dated Oct 19, 2023 "IRS announces withdrawal process for Employee Retention Credit claims; special initiative aimed at helping businesses concerned about an ineligible claim amid aggressive marketing, scams"
 - FS-2023-24 dated October 2023 "Help for businesses: Steps for withdrawing an Employee Retention Credit claim | Internal Revenue Service (irs.gov)"
 - IRS.gov/withdrawmyerc "Withdraw an Employee Retention Credit (ERC) claim"
 - Updated FAQs "Frequently asked questions about the Employee Retention Credit"
- (3) To be eligible, employers must withdraw the **entire amount** of ERC claimed **(only)** on a previously filed Form 94XX **and**:

- Must not have received an associated refund check or credit to their account; or.
- Received an associated refund check but did not cash or deposit the refund check; or,
- The Form 94XX is currently under examination/audit.

Note: If a client company wishes to withdraw an ERC claim filed on their behalf by an aggregate employment tax return filer (Section 3504 Agent, CPEO, or PEO), they must contact the third-party payer to coordinate the ERC claim withdrawal request.

- (4) The ERC claim withdrawal program **can't** be used to:
 - Withdraw a claim for ERC made on an original employment tax form.
 - Withdraw only a portion of a previous ERC claim.
 - Withdraw a claim for ERC if the associated Form 94XX reported other non-ERC wage/tax/credit corrections.
 - Withdraw a claim for ERC if the associated refund check was received and cashed/deposited.
 - Withdraw a claim for ERC if the credit was previously disallowed in full (i.e., previously recorded ERC amount(s) were reversed and a letter or notice was issued).
 - Make other corrections to the account.

Note: Employers who incorrectly claimed ERC but who are ineligible to participate in the ERC claim withdrawal program should file a new Form 94XX as usual to make corrections and pay any amount owing when they file.

- (5) Employers meeting ERC claim withdrawal program eligibility requirements are instructed to:
 - 1. Make a copy of the Form 94XX which incorrectly claimed ERC.
 - 2. Write "Withdrawn" on the left margin of the first page.
 - 3. Sign, date, and include the individual signer's name and title on the right margin of the first page.
 - 4. Fax the withdrawal request to (855) 738-7609. (Alternately, taxpayers may use the address for filing Form 94XX to mail a withdrawal request; however, taxpayers should be discouraged from mailing withdrawal requests due to potential delays in processing.)

Caution: The fax line identified above is dedicated to the ERC claim withdrawal program and **can't** be used for any other submissions.

- (6) Employers meeting ERC claim withdrawal program eligibility requirements and that have received a refund check are instructed to:
 - 1. Make a copy of the Form 94XX which incorrectly claimed ERC.
 - 2. Write "Withdrawn" on the left margin of the first page.

- 3. Sign, date, and include the individual signer's name and title on the right margin of the first page.
- 4. Make copies of your tax records and the front and back of the voided check, the explanation notes and the signed and dated withdrawal request page.
- 5. Don't staple, bend or paper clip the voided check; include it with your claim withdrawal request and mail it to the IRS at: Cincinnati Refund Inquiry Unit PO Box 145500 Mail Stop 536G Cincinnati, OH 45250
- (7) Signature requirements for ERC claim withdrawal requests are the same as for Forms 94XX
- (8) Taxpayers under examination/audit must submit withdrawal requests for Forms 94XX to the assigned examiner or by responding to the audit notice instead of making a request via the withdrawal program fax line.
- (9) Taxpayer who have questions regarding ERC withdrawals can be directed to the irs.gov website Withdraw an Employee Retention Credit (ERC) claim.
- (10) Handling guidance for ERC claim withdrawal requests is found in succeeding IRM subsections.

IRM 21.7.2.7.7.3(4) Updated verbiage for open paragraphs due to expired ASED on ERC cases.

- (1) The guidance in this subsection is intended to be applied by AM employees specifically designated to process ERC claim withdrawal program requests (only).
- (2) The procedures in this subsection are to be applied to ERC claim withdrawal requests which did not meet rejection criteria described in IRM 21.7.2.7.7.2, *Processing ERC Claim Withdrawal Requests Review for Unprocessable Conditions*.
- (3) ERC claim withdrawal requests must meet certain eligibility criteria. See (3) and (4) in IRM 21.7.2.7.7, *ERC Claim Withdrawal Program*, for more information on eligibility requirements and exclusionary criteria.
- (4) Review the ERC claim withdrawal request document(s), the previous Form 94XX claiming ERC that the taxpayer is trying to withdraw (if not already associated, conduct research to locate the Form 94XX if possible), and the related tax account to evaluate eligibility factors addressed in the table which follows:

amounts previously reported and pay any amount due."

Reminder: As indicated in (5) of IRM 21.7.2.7.7.1, *ERC Claim Withdrawal Requests* — *Case Receipts and Case Association Actions*, the ERC claim withdrawal case information template must be completed when each accepted or rejected ERC claim withdrawal case is resolved/closed.

Note: See IRM 25.6.1.9.5.10, *COVID-19 Related Employment Tax Credits*, for information regarding 2021 tax periods with an extended ASED on ERC credits. There is a heightened risk of encountering statute barred assessments in this work. Consider guidance in (2) of IRM 25.6.1.13.2.6, *Routing and Controlling Form 9355*, if such cases are identified. If an ERC withdrawal case is received after the ASED has expired see IRM 21.6.1.9.9.1(9), *Procedures for Expeditious Assessments*.

(5) Continue processing eligible ERC claim withdrawal cases (i.e., those not rejected or otherwise addressed per instructions in (4) above) as per guidance in IRM 21.7.2.7.7.4, *Processing ERC Claim Withdrawal Requests* — *Review for Account Conditions Requiring Special Handling*.
