

MANUAL TRANSMITTAL

Department of the Treasury
Internal Revenue Service

3.11.8

OCTOBER 27, 2017

EFFECTIVE DATE

(01-01-2018)

PURPOSE

- (1) This obsoletes IRM 3.11.8, *Returns and Documents Analysis - Information Return Processing*.

MATERIAL CHANGES

- (1) Instructions previously located in this IRM were moved due to administrative need to consolidate instruction. The material related to preparing and editing information documents for data processing is incorporated in IRM 3.10.8, *Campus Mail and Work Control - Information Returns Processing*. Information on handling Foreign Account Tax Compliance Act (FATCA) documents is incorporated in IRM 3.21.3, *International Returns and Documents Analysis - Individual Income Tax Returns*. Due to the minimal amount of hours used for these instructions this IRM has been declared obsolete.

EFFECT ON OTHER DOCUMENTS

IRM 3.11.8, *Returns and Documents Analysis - Information Return Processing*, dated November 15, 2016 (effective January 01, 2017) is obsolete as of the effective date. On January 01, 2018 material related to preparing and editing income information documents for data processing are incorporated in IRM 3.10.8, *Campus Mail and Work Control - Information Returns Processing*. Instructions on processes for Foreign Account Tax Compliance Act (FATCA) documents are incorporated in IRM 3.21.3, *International Returns and Documents Analysis - Individual Income Tax Returns*.

AUDIENCE

Small Business/Self Employed and Wage and Investment - Code and Edit Tax Examiners

Linda J. Brown
Director, Submission Processing
Wage and Investment Division
