Use Form 433-H if you earn wages, you are requesting an installment agreement, and your liability is either greater than \$50,000 or cannot be paid within 72 months.

Tip If you can pay your liability within 72 months or less and owe \$50,000 or less, you may be able to establish an installment agreement online, even if you have not yet received a bill for your taxes. Go to [IRS.gov](https://www.irs.gov) to apply to pay online.

Caution Do not use this form if you can pay your balance in full within 180 days. Instead, call the number on your most recent notice. If you are in bankruptcy or we have accepted your offer-in-compromise, see Bankruptcy or Offer-in-Compromise, in the instructions.

Instructions for Form 433-H, Installment Agreement Request and Collection Information Statement

What is the purpose of Form 433-H?

Form 433-H, *Installment Agreement Request and Collection Information Statement*, is used by wage earners to provide current financial information and request an installment agreement, allowing the Service to determine how best to satisfy outstanding tax liabilities.

However, before requesting an installment agreement, you should consider other payment options, which may be less costly, such as getting a bank loan or using available credit on a credit card.

You must file all required returns that have not been filed. Your request for an installment agreement will be denied if all required tax returns have not been filed.

Use Form 433-H if you earn wages and are requesting an installment agreement and either:

- You cannot pay your outstanding liability within 72 months, or
- Your outstanding liability exceeds \$50,000.

Do not use Form 433-H if:

- Your outstanding liability is \$50,000 or less and you can pay within 72 months. Instead, use Form 9465, *Installment Agreement Request*. See the tip below.
- You are self-employed. Instead, use Form 433-D, *Installment Agreement*.
- You operate a business. Instead, use Form 433-D, *Installment Agreement*.

TIP If you can pay your outstanding liability within 180 days, there is no user fee for this type of agreement, and you may be able to establish an Online Payment Agreement (OPA). To apply online, go to <http://www.irs.gov>, and enter "Online Payment Agreement" in the "Search" box.

TIP If you owe \$50,000 or less in combined tax, penalties and interest and filed all required returns, you may be able to establish an installment agreement online. Go to [IRS.gov](http://irs.gov) to pay online. You may owe a lower user fee if you establish your agreement through the OPA application.

A large down payment to reduce your liability to \$50,000 or less may streamline the installment agreement process, pay your balance faster and reduce the amount of penalties and interest charged.

Bankruptcy or offer-in-compromise. If you are in bankruptcy or we have accepted your offer-in-compromise, do not file this form. Instead, call 1-800-829-1040 to get the number of your local IRS Insolvency function for bankruptcy or Technical Support function for offer-in-compromise.

Please retain a copy of your completed form and supporting documentation. After we review your completed form, we may contact you for additional information. For example, we may ask you to send

supporting documentation of your current income or substantiation of your stated expenditures.

Instructions

Part 1 – Installment Agreement Request

We will usually let you know within 30 days after we receive your request whether it is approved or denied. However, if this request is for tax due on a return you filed after March 31, it may take us longer than 30 days to reply.

We will review the financial information provided in Sections A through G, determine your ability to pay and compare it with the monthly payment amount you proposed in Part 1, Line 6. We will contact you if we have questions or believe you can pay your liability more quickly.

If your request is approved, we will send you a notice detailing the terms of your agreement and requesting a fee of \$178 (\$107 if you make your payments by direct debit).

Low income taxpayer. You are a low-income taxpayer if your adjusted gross income meets the low-income threshold (at or below 250% of the federal poverty guidelines, as determined for the most recent year for which information is available). You may qualify to pay a reduced fee of \$43 if your income is below a certain level. The IRS will let you know whether you have low income taxpayer status. If you agree to establish a direct debit installment agreement (DDIA), you will not be charged a user fee.

If the IRS does not say you qualify for low-income taxpayer status, you can request reconsideration by using Form 13844, *Application For Reduced User Fee For Installment Agreements*. The user fee for low income taxpayers is \$43, which may be waived or reimbursed if certain conditions are met. See the instructions for line 8c. for details.

You will also be charged interest and may be charged a late payment penalty on any tax not paid by its due date, even if your request to pay in installments is granted. Interest and any applicable penalties will be charged until the balance is paid in full. To limit interest and penalty charges, file your return on time and pay as much of the tax as possible with your return (*or notice*).

By approving your request, we agree to let you pay the tax you owe in monthly installments instead of immediately paying the amount in full. In return, you agree to make your monthly payments on time. You agree to provide updated financial information when requested.

You also agree to meet all your future tax obligations. This means that you must have enough withholding or estimated tax payments so that your tax obligation for future years is paid in full when payment is due. And you agree to timely file your return.

Part 1 – Installment Agreement Request (Continued)

Any refund you are due in a future year will be applied against the amount you owe. If your refund is applied to your balance, you are still required to make your regular monthly installment payment.

Payment methods. You can make your payments by check, money order, credit card, or one of the other payment methods shown next. The fee for setting up an installment agreement for each payment method is also shown.

Payment Method	Applicable User Fee
Check, money order, credit card or payroll deduction installment agreement	\$178
Direct debit installment agreement	\$107

Your specific tax situation will determine which payment options are available to you. You may owe a lower user fee if you establish your agreement through the OPA application on the IRS web site; however, not all taxpayers qualify to apply for an installment agreement online to pay off their balance over time. Go to [IRS.gov](https://www.irs.gov), and enter "Online Payment Agreement" in the "Search" box for more information.

After we receive each payment, we will send you a notice showing the remaining amount you owe, and the due date and amount of your next payment. But if you choose to have your payments automatically withdrawn from your checking account, you will not receive a notice. Your bank statement is your record of payment.

We will also send you an annual statement showing the amount you owed at the beginning of the year, all payments made during the year, and the amount you owe at the end of the year.

What happens if the taxpayer doesn't comply with the terms of the installment agreement? If you do not make your payments on time or do not pay any balance due on a return you file later, you will be in default on your agreement and we may terminate the agreement and take enforcement actions, such as the filing of a Notice of Federal Tax Lien or initiating an IRS levy action, to collect the entire amount you owe.

For additional information on the IRS collection process, see Pub. 594, *The IRS Collection Process*, or Pub. 1, *Know Your Rights as a Taxpayer*. You may also visit [IRS.gov](https://www.irs.gov) and put "collection process" into the "Search" box. To ensure that your payments are made timely, you should consider making them by direct debit. See the instructions for lines 8a and 8b on page 5.

An installment agreement may be terminated if you provide materially incomplete or inaccurate information in response to an IRS request for a financial update.

Notice of Federal Tax Lien. A Notice of Federal Tax Lien (NFTL) may be filed to protect the government's interests until you pay in full. If you meet certain criteria, you may be able to get the NFTL withdrawn. To learn more about NFTL withdrawals and to see if you qualify, visit www.irs.gov and enter "lien" in the "Search" box.

Part 1 – Installment Agreement Request (Continued)

Line 1

Enter the tax form, tax period, and the total amount you owe as shown on your tax return(s) (or notice(s)).

Line 2

List additional tax forms, tax periods, and balances due that are not reflected on Line 1 (even if they are included in an existing installment agreement).

Line 3

Add lines 1 & 2 and enter the result.

Line 4

Enter the amount of the payment you are making with this request.

Even if you cannot pay the full amount you owe now, you should pay as much as possible to limit penalty and interest charges. If you are filing this form with your tax return, make the payment with your return. For details on how to pay, see your tax return instructions.

Attach a check or money order payable to "United States Treasury." Do not send cash. Be sure to include:

- Your name, address, SSN/ITN, and daytime phone number.
- The tax year and tax return (for example, "2012 Form 1040") for which you are making this request.

Line 5

Subtract line 4 from line 3 and enter the result.

Line 6

Enter the amount you can pay each month. Make your payments as large as possible to limit interest and penalty charges. The charges will continue until you pay in full. (If you have an existing installment agreement, this amount should represent your total proposed monthly payment amount for all your liabilities.)

If no payment amount is listed on line 6, a payment will be determined for you by analyzing the information provided on your financial statement.

Line 7

You can choose the day of each month your payment is due. This can be on or after the 1st of the month, but no later than the 28th of the month. For example, if your rent or mortgage payment is due on the 1st of the month, you may want to make your installment payments on the 15th. If we approve your request, we will tell you the month and day that your first payment is due.

If we have not replied by the date you chose for your first payment, you can send the first payment to the Internal Revenue Service Center at the address shown earlier that

applies to you. See the instructions for line 4 for details on what to write on your payment.

Line 8a, 8b, and 8c

Making your payments by direct debit will help ensure that your payments are made timely and that you are not in default of this agreement.

To pay by direct debit from your checking account at a bank or other financial institution (such as a mutual fund, brokerage firm, or credit union), fill in lines 8a and 8b. Check with your financial institution to make sure that a direct debit is allowed and to get the correct routing and account numbers.

Line 8a. The routing number must be nine digits. The first two digits of the routing number must be 01 through 12 or 21 through 32. Use a check to verify the routing number. On the following sample check, the routing number is 250250025. But if your check is payable through a financial institution different from the one at which you have your checking account, do not use the routing number on that check. Instead, contact your financial institution for the correct routing number.

Line 8b. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the following sample check, the account number is 20202086. Do not include the check number.

We may file a Notice of Federal Tax Lien (NFTL) against you, or may have previously filed one. If you meet certain criteria, you may be able to get the NFTL withdrawn. To learn more about NFTL withdrawals and to see if you qualify, visit IRS.gov and enter "lien" in the "Search" box.

If you qualify as a low income taxpayer, you will receive a waiver of the installment agreement user fees if you agree to make electronic payments through a debit instrument (debit payments) by following the direct debit instructions in lines 8a. and b.

Line 8c. If you are a low income taxpayer that is unable to make debit payments, please indicate by checking the box in line 8c. to receive a reimbursement of the reduced user fees upon completion of your agreement.

If you do not check the box in line 8c. and you do not provide your checking account information in lines 8a. and b., then you will be treated as being able to but choosing not to make debit payments and your user fees will not be reimbursed upon completion of your installment agreement.
