

VITA Locator Tool

For SPEC Employees and Partners

Background

This fact sheet is intended to assist individuals with disabilities in their use of the VITA Locator Tool. The fact sheet provides direction for general use in accessing the Google map.

General Information

The VITA Locator Tool allows the user to search for Free Tax Preparation Help. There is help text available above each field when the "i" is clicked or tabbed to. If the keyed content is incorrect, look below the field for error text.

There is a map on the page. If you zoom over 150% the map will disappear. To explore the map, click the address on the screen. It will take you to a full screen Google map.
