Pending Legislation

At the time this publication went to print, legislation providing relief for persons impacted by recent natural disasters was in the process of being passed and implemented. The training material includes draft tax forms that did not take the proposed legislation into account. Therefore, the legislation will cause various forms, tables, and worksheets to change. Additional guidance will be issued in the form of a supplement.

The IRS Mission

**Provide America's taxpayers
top quality service by helping
them understand and meet
their tax responsibilities and
by applying the tax law with

Introduction to the Volunteer Assistor's Test

**USE 2005 VALUES for Deductions, Exemptions, Tax or Credits
for all answers on the Test.**

All tax return preparers and quality reviewers must be certified to volunteer in the Volunteer Return Preparation Program. Four training courses are available for certification: Basic, Intermediate, Advanced or Military/International. Successful execution of this test will accomplish the certification for each course.

Please complete this test on your own. Taking the test in groups or with outside assistance could prove to be a disservice to the people you have volunteered to help. You may use any reference materials available to you as a volunteer to complete this test. Please remember to round to dollars. Test answers have been rounded up or down at the point of entry on the return.

The Test is comprised of three segments.

You must complete all three segments for VRPP certification.

Segments 1 and 2 are universal for all volunteers.

Segment 3 is completed based on the training course (Basic, Intermediate, Advanced or Military/International) chosen.

The net effect – you must answer 30 objective questions and prepare two tax returns at an overall 70% proficiency to complete VRPP certification.

Segment 1 (1 Point for each Question) Possible 30 Points

30 True/False, Multiple Choice and Objective Questions covering
Tax law and administrative procedures.

Segment 2 (3.5 Points for each Question) Possible 35 Points

5 Questions based on the completion of the VRPP Universal Tax Return
5 Questions based on the Quality Review of a completed return

Segment 3 (3.5 Points for each Question) Possible 35 Points

10 Questions based on the completion of a tax return associated to the volunteer's course:

- **Basic Problem 1: VITA Basic** will certify the completion of wage earner type returns such as Forms 1040EZ, 1040A and simple Form 1040.
- **Intermediate Problem 2: VITA/TCE Intermediate** will certify completion of wage and pension earner type returns and more complex Form 1040.
- **Advanced Problem 3: VITA/TCE Advanced** will certify the completion of the full scope of returns prepared by the Volunteer Return Preparation Program.
- **Military Problem 4: VITA Military** will certify the completion of the full scope of returns presented by members of the Armed Forces, Reserve and National Guard.
- **International Problem 5: VITA VECTA** will certify the completion of returns for customers (non-Military) living outside the United States and assisted by

volunteers working at U.S. Embassies and Consulates or other areas through the Volunteer Return Preparation Program.

What to do when you complete your test:

After you have completed your test, please transfer all answers to the tear-out Test Answer Sheet. Forward the completed Test Answer Sheet and the completed Volunteer Agreement/Certification Sheet to your sponsor or instructor as directed for grading.

Do not send your entire test booklet unless otherwise directed.

You will receive your Test Answer Sheet back with your results.

In order to certify as a VRPP preparer or quality reviewer you must score 70 points on the test. Grading the test as a whole will validate not only your working knowledge of tax law but your skills in applying the law to a variety of customer situations.

If you do not achieve a score of 70 or more, you should discuss it with your Instructor or Training/Site Coordinator. After discussion, you may, if you choose take a retest to become certified to prepare the returns. If you choose to take the retest, your Instructor or Training/Site Coordinator will provide you with the retest booklet.

Using Software to Take the Test

All Social Security Numbers, Employer Identification Numbers and routing/account numbers in this document are depicted as xxx-xx-xxxx, xx-xxxxxxx or xxxxxxxxx accordingly.

Volunteers using tax preparation software to complete the test should replace the x's as directed by the software. All taxpayer names and street addresses use names from a listing of colleges/universities as provided by IRS manuals. Use your city, state, and zip code when completing any of the forms.

Volunteers who use tax preparation software to complete the test or retest need to be aware of their version of software. Only the final 2005 version of software will generate the correct answers for 2005 tax returns.

YOU MUST USE 2005 VALUES (with or without using software) TO BE CERTIFIED FOR PREPARING OR REVIEWING 2005 TAX RETURNS.

You may take this volunteer certification test online using the **Link & Learn Taxes** e-learning application

1. VITA - BASIC Problem

Miguel is a single parent. He provides all the support for his children, Pedro and Tina, who live with him. Miguel has completed an Interview & Intake Sheet to help with the preparation of his return.

Miguel says he is a journalist. He indicates he would like any refund directly deposited in the bank and provides you a check. He gives you all the information documents he has received and says that he has no other income.

After looking at his documents, you ask him if his EIC was disallowed or reduced in the past two years and he tells you it was not. After being asked, he also states he did not receive any distributions from his retirement plan. Miguel tells you he does not want \$3 to go to the Presidential Election Campaign Fund.

During the interview, you determine Miguel does not qualify for any adjustments to his total income. You also review his expenses and determine it is not to his advantage to itemize deductions. Miguel states that the childcare receipts are for Pedro and Tina. He paid the same amount for each child. Miguel states he did not forfeit any of his dependent care benefit.

3. VITA/TCE - Advanced Problem

Esther Lincoln asks you to prepare her return. She is a retired school teacher, who was widowed in 1999 and has not remarried. She does not want \$3 to go to the Presidential Election Campaign Fund. Mrs. Lincoln has completed an Interview & Intake Sheet to assist with her return preparation. She made estimated tax payments of \$450 per quarter (a total of \$1,800) in 2005.

Mrs. Lincoln retired from the Salem Public School System on December 10, 2004 and received her first pension check on January 2, 2005 and has received monthly checks ever since. In addition to her pension and Social Security benefits, Mrs. Lincoln received \$400 in interest income in 2005 and sold some stock. She had purchased 100 shares of AEP stock on June 1, 2003 for \$8,456. She sold 30 shares of AEP on May 2, 2005 for \$4,522 and wants to know how to handle this on her return.

Mrs. Lincoln also informs you that on February 18th 2005 she sold a lake lot for \$6,500 cash to a friend of the family. It was a fair market transaction with no selling expenses. Mrs. Lincoln explains that she acquired the property through inheritance from her father. He had originally purchased the lot for \$1,000 in 1976. Mrs. Lincoln's father died on June 1st 1984. The fair market value of the property in 1984 when she received title from her father's estate was \$3,000. Mrs. Lincoln asks if there is anything she needs to report with this sale.

Mrs. Lincoln tells you that in the fall of 2005 she began a small business making specialty teddy bears. She grossed \$4200. She had some expenses including \$600 for supplies, shipping \$300, business phone and internet services \$120 and \$60 in bus tokens and taxi expenses for business related travel as she does not drive. If entitled to a refund, Mrs. Lincoln wants it deposited into her checking account.

4. VITA - Military Problem

Marjorie North comes in to the Base Tax Center for help with her 2005 tax return. Mrs. North is married to SFC Michael North. SFC North is an Army Reservist activated in May 2005 and deployed to Iraq in June 2005. The North's have been married for twelve years and have one daughter, Talynn, age 7. Mrs. North shows you not only her ID card but also a completed Power of Attorney to file the return on behalf of her husband. She has also completed the Tax Center's Intake Sheet to provide details for the return preparation.

In civilian life, Michael is a teacher at Furman High School. Marjorie is a software development programmer and has been able to continue to work with her company via remote access. Their W-2's are shown below. They do not need a state return prepared; they did not itemize deductions last year; and if they are due a refund, they want it mailed to their current address. The Norths do not want \$3 to go to the Presidential Election Campaign Fund.

Marjorie states that Michael did spend \$385 on school supplies for his classes at Furman. Additionally **prior to be activated**, Michael attended 5 monthly drills in 2005 at a site downstate 120 miles (240 miles roundtrip) from home. He would drive down after school on Friday one weekend a month staying at a local motel on Friday and Saturday nights (10 nights total) at a flat cost of \$45 per night. His meal expense record shows a total of \$237 spent during the time he was away for the drills. Michael's car was purchased originally June 16 2003. The total miles driven on the car for 2005 were 16540.

When the North's moved to their first post-of-duty, they chose to not sell their home. They listed the house for lease with a realty company. It was available for rent (placed in service) at \$700 per month and immediately rented on July 1, 2005.

Rent collected in 2005 - \$4,200

Real Estate company fees - \$375

July to December Yard Maintenance & Repairs \$465

Annual Real Estate Taxes - \$630

Annual Mortgage Interest - \$2472

The Realtor computed the 2005 depreciation to be \$1,782.

The basis for depreciation is the value of the property [\$90,000] less the value of the land [\$6,000], which is not depreciable. The Realtor used a 27.5-year recovery period, straight-line method.

5. VITA – VECTA – International Problem

David and Maria Marshall have lived in Germany since August, 2004. They come in to the VITA site for help in preparing their 2005 tax return. David is employed as a civilian contractor by the U.S. Army. In 2005, Maria worked at a local bakery (Guten Tag's, 520728 Grier Lane, Frankfurt, Germany) and earned the equivalent of \$12,000.

David and Maria do not consider themselves bona fide residents of Germany. During 2005, they resided in Germany for the full year, except for a three-day vacation in France. Their address in Germany is 49084 Brandt Strasse, Frankfurt, Germany. They have never claimed the foreign earned income exclusion before.

In January, 2005, the Marshalls had a baby, Claire. They filed all the appropriate paperwork with the U.S. Embassy in Berlin and have Claire's passport and Social Security Card available for review. In preparation for the baby, Maria's Aunt Martha Stein came to live with them at Christmas in 2004. Mrs. Stein, a German citizen, is widowed and lives on a very small pension. As Mrs. Stein has lived with the Marshalls all year, they wonder if she can be claimed on their return. She is after all a blood relative to Maria and they did pay for virtually all of her support during the whole year.

Note. Even if you had a loss or a small amount of income from self-employment, it may be to your benefit to file Schedule SE and use either "optional method" in Part II of Long Schedule SE (see page SE-3).

Exception. If your only self-employment income was from earnings as a minister, member of a religious order, or Christian Science practitioner and you filed Form 4361 and received IRS approval not to be taxed on those earnings, **do not** file Schedule SE.
