Dear

This letter constitutes notice that with respect to the above-named defined benefit pension plan we have granted a waiver of the minimum funding standard for the plan year ended December 31,

This waiver for the plan year ended December 31, has been granted in accordance with section 412(d) of the Internal Revenue Code and section 303 of the Employee Retirement Income Security Act of 1974 (ERISA). The waived amount is the contribution which would otherwise be required to reduce the balance in the funding standard account to zero as of the end of the plan year for which this waiver has been granted.

The company has a calendar year fiscal year. The Company has recently closed some of its facilities. This combined with the loss of a key employee resulted in accounts receivable to age and rise above normal levels. The Company has reduced the number of top management positions and reduced marketing costs. The Company has also increased its efforts at reducing the accounts receivable. As of January 1, , the value of the assets of the plan was equal to 68% of the plan's current liability.

Your attention is called to section 412(f) of the Code and section 304(b) of ERISA which describe the consequences that would result in the event the plan is amended to increase benefits, change the rate in the accrual of benefits or to change the rate of vesting, while any portion of the waived funding deficiency remains unamortized. Please note that any amendment to other retirement plans maintained by the company or to the company's profit sharing plan, to increase the liabilities of those plans would be considered an amendment for purposes of section 412(f) of the Code and section 304(b) of ERISA.

This ruling is directed only to the taxpayer that requested it. Section 6110(k)(3) of the Code provides that it may not be used or cited by others as precedent.

When filing Form 5500 for the plan year ended December 31, , the date of this letter should be entered on Schedule B (Actuarial Information). A copy of this letter is being sent to the Manager, Employee Plans Classification in :
