Subject: FW: Temp absence

[REDACTED] While it can generally be said that incarceration prior to conviction is considered to be a temporary absence, it is not necessarily true that incarceration subsequent to conviction is not a temporary absence. There are various factors relevant to a determination of whether an incarceration is a temporary absence, the most important factor being the intent of the incarcerated person to return to his or her place of abode.

[REDACTED]

Please let me know if you have any questions or wish to discuss this further.

Thank you.
