Important message about your direct debit installment agreement for Month [REDACTED] tax period

Insufficient funds available for monthly payment

In keeping with the terms of your installment agreement, we attempted to withdraw your monthly payment from your authorized bank account. Your bank notified us that there were insufficient funds to cover the payment amount.

What you need to do

- We'll make a second attempt to withdraw your payment. If there are insufficient funds at that time, you may default on your agreement, interest will increase, and additional penalties may apply. So, be sure you have enough money in your account to cover your monthly payment plus any fees your bank may have charged you for insufficient funds.
- Each month make sure you have enough money in your account to cover your monthly payment.

Additional information

- Visit www.irs.gov/cp166.
