We're delaying your refund while we review your account

We're delaying the refund of your
overpayment of \$ because we
need to make sure you don't owe other
taxes.

What you need to do

- You don't need to do anything. You should receive a refund for your overpayment of \$, plus any interest, within 6-8 weeks as long as you don't owe other tax or debts we're required to collect.
- If we determine you owe other taxes, we'll apply your overpayment to the outstanding tax debt. You'll receive a notice explaining how we applied the money and a check for the remaining balance, if there is one.
