We didn't charge you a penalty for late deposits

What you need to do

To avoid penalties

- Be sure to:
 - Deposit the correct amount of tax
 - Deposit by the correct date
 - Deposit according to your correct frequency (monthly or semiweekly)
 - Deposit electronically using the Electronic Federal Tax Payment System (EFTPS)

Electronic deposit requirements

First year filers generally need to make monthly deposits when employment taxes equal or exceed \$2,500. See Notice 931 for deposit requirements information.

You are required to use electronic funds transfer (EFT), such as the EFTPS, to make your federal tax deposits. If you mail a deposit instead of depositing electronically, we may assess a 10% penalty on each non-electronic deposit. If you have questions or need to enroll, visit www.eftps.gov or call EFTPS customer service at 1-800-555-4477.
