Important information about your Annual Federal Employment Tax Filing Requirement

Your annual filing requirement is changing

You're no longer eligible to file Form 944 to report and pay your employment taxes for the tax period ending December 31, 2016.

Your filing requirement is changing because your annual employment tax liability was more than \$1,000.00 for the tax period ending December 31, 2015.

What you need to do

Beginning with the 1st quarter return due April 30, 2016, you must file quarterly using Form 941, Employer's QUARTERLY Federal Tax Return. If your quarterly tax liability reaches \$2500 or more, then you must deposit using the [Monthly] deposit schedule as described in Publication 15 (Circular E), Employer's Tax Guide.

Important Reminders

Form 941 Quarterly Filing Schedule:

Quarter	Tax Period	Return Due Date
First	January 1 – March 31, 2016	April 30, 2016
Second	April 1 – June 30, 2016	July 31, 2016
Third	July 1 – September 30, 2016	October 31, 2016
Fourth	October 1 – December 31, 2016	January 31, 2017

If your annual tax liability decreases in subsequent tax years, and you once again become eligible to file Form 944, we will notify you.
