Important information about your Annual Federal Employment Tax Filing Requirement

Your annual filing requirement is changing

Even though your 2015 Form 944 liability was more than \$1,000.00, you **must** remain a Form 944 annual filer for calendar year 2016.

Your 2016 Form 944 is due January 31, 2017.

Beginning in calendar year 2017, you will be required to file quarterly returns.

You must deposit, if required, using the [E02] deposit schedule.

What you need to do

Beginning with the 1st quarter return due April 30, 2017, you must file quarterly using Form 941, Employer's QUARTERLY Federal Tax Return. We will send you a reminder notice in December 2016. For more information on deposit requirements, see Publication 15 (Circular E), Employer's Tax Guide.
